Dear Sir or Madam:

The present amendments and remarks are in response to the Office Action mailed on October 21, 2003, which reported non-compliance in the Office action response filed on July 14, 2003. The present response represents the arguments and amendments submitted previously. The error was due to a claim numbering discrepancy present in an older draft of the application. This older draft has been discarded to avoid future confusion. The prior response should
